

The **UNBEATABLE** summer dance camp in 2010!!

InterRhythm Arts 2010 Newsletter

Note from the Director

Dear IRA Family & Friends,
I hope that Spring is blooming bright for you all!! The school year has flown by, and like you, we are eagerly awaiting the arrival of summer time!

I know there are so many camps out there, but I truly hope that we will be your camp selection this summer. The IRA staff and I look forward to meeting all of you this summer.

I am here for you, so let me know what I can do to help whether it be with our application procedures, camp information, financial assistance, or anything else!

See you this summer!

Krisna Martinez

Executive Director

So do you think you can dance?

Elite Week

Elite Week is new to IRA this summer and is an extreme week of dance for more experienced dancers.

*at least 4 years dance experience recommended

This week is not for the faint of heart, and if you are looking for more than just a dance camp then this week is for you! Be pushed beyond your bounds, and be challenged like you never have before.

Unlike the others, this session consists of a much more rigorous dance schedule, so be ready and before signing up be sure to ask yourself if this is the right place for you. Go to www.iradance.com for more information.

The Lakeview Room will be converted into our dance spaces and overlooks the Shadow Lake and the surrounding mountains.

Location Information

Indian Head Resort, located on 180 acres of beautiful scenery in the middle of the White Mountains, is the **PERFECT** place to spend your summer. With quality service, accommodations, meals, and so many fun things to do and see, you'll spend summer camp in style. Stay in newly remodeled cottages, relax with swimming, paddle boating, and much more, and most importantly dance you summer days away!

There is no need to look any further! Come and **DANCE, RELAX**, have a **BLAST**, and make **NEW FRIENDS** with IRA this summer!! See you there!!
